

Fairfax Volleyball Club is Looking for and Recruiting the Best Referees!

Interested in being at the front line of the action? Want to be paid well and respected for your skills as a certified volleyball official? If so, you should consider refereeing for the Fairfax Volleyball Club Leagues!

The Fairfax Volleyball Club (www.FairfaxVolleyball.com) is looking for qualified referees to join the team of talented officials who facilitate an active, nearly year-round season of Adult volleyball in several Fairfax County public schools, at the Virginia Volleyball Center and at the Dulles Sportsplex.

Referees can officiate as few or as many matches as they can around their own work and life schedules. Officials are paid for the number of matches they work, up to \$135 for 4 matches, with most matches lasting only one hour. Each official is expected to be initially certified and meet the annual certification requirements as set forth by the Chesapeake Region Volleyball Association (CHRVA) (www.chrva.org).

Referees can work as a Provisional or higher rated referee. More information can be found at the CHRVA official's web site <http://www.chrva.org/page/show/106107-officials>.

If you are interested in refereeing anytime during the year, or just need more information, please contact Ken Carey, the Referee Assignor, at Referees@FairfaxVolleyball.com, 703-610-1933.
